

Quick Start Guide

Modifying Mobile Equipment Units

○ Objectives:

- 1** Access the browse tree in the equipment tab
- 2** Learn how to modify mobile equipment units in 5 easy steps
- 3** Learn how to modify components and save modifications

Modifying Mobile Equipment

- The equipment tab allows you to quickly access and manage your equipment. In this quick start guide, you'll learn how to easily:

- ✓ Modify mobile equipment units

Modifying Mobile Equipment

1 The first step begins by making a click on the equipment tab to open the equipment page. Inside the browse tree tab, click on the worksites folder  to view your equipment unit list.

2 After clicking the worksites folder, you'll see the components details, unit list and summary tabs. Click on the unit list, find the unit you plan to modify and select the checkbox that corresponds to the unit ID. After selecting the check box, click the modify unit button. This action will open the modify unit window.

The screenshot displays the LOAMS web application interface. The top navigation bar includes 'Browse Tree' and 'Find Units'. A search bar is labeled 'Quick filter here...'. Below the search bar are buttons for 'Compare Graph' and 'Print Labels'. The main content area shows a tree view under 'BUREAU VERITAS' with a sub-folder 'ABC'. A mouse cursor is pointing at the 'ABC' folder. Below the tree view, a table lists equipment units with columns for Unit ID, Equipment Type, Manufacturer, and Model. The 'Demo Mobile Unit' row is selected, and a mouse cursor is pointing at the 'Modify Unit' button in the top navigation bar.

Unit ID	Equipment Type	Manufacturer	Model
<input type="checkbox"/> 262057		Peterbilt	320
<input type="checkbox"/> 303075		Volvo	VHD
<input type="checkbox"/> 420429		Peterbilt	320
<input type="checkbox"/> 420438		Peterbilt	348
<input type="checkbox"/> Demo Industrial Unit		Falk	530T325C
<input checked="" type="checkbox"/> Demo Mobile Unit	Excavators	Komatsu	450

Modifying Mobile Equipment

4 In the modify unit window, you can make changes to the unit ID, serial number, unit of measurement for age units, and modify components. Components are listed within the graph type column and can be modified by making a click on the specific component you plan to modify.

5 After clicking a specific unit, you now have access to edit more details related to that specific component. Click done and then click the save and close button to save your changes. You have successfully modified your mobile equipment.
