The LOAMS app allows you to open up the PDF in a variety of ways depending upon which apps you already have installed on your phone. You may also have the ability to message or email the reports from your iPad. Tap on Import with iBooks to open the PDF of the report.

The bottom of the Sample details screen allows you to add sample actions and sample comments.

The lightning bolt icon allows you to assign a Sample Action

The chat bubble icon allows you to add comments to the sample

Assigning a sample action allows you to assign maintenance duties or follow up actions to your sample results.

1. First under assign to type in the email address you want to assign this sample action to
2. Tap on the drop down under Status to assign a status.
3. Enter in additional comments
4. Once complete click Save and an email will be sent to the person you've assigned the sample action to.
