      - ▶  906754 International 7000 SERIES
    - ▼ ABC Company Worksite 2
      - ▶  8654323 International 1400 SERIES

## Copying Mobile Equipment

1 The first step begins by selecting the equipment tab and opening the browse equipment page. Inside the browse equipment tab, click on the correct worksite folder to view your equipment unit list.

2 After clicking the correct worksite folder, find the unit you plan to delete and select the checkbox that corresponds to the unit ID. After selecting the check box, click the copy button. This action will take you to the copy wizard.
