

Quick Start Guide

Downloading Mobile Equipment Unit Details

○ Objectives:

- 1** Access the browse tree in the equipment tab
- 2** Review your mobile equipment units
- 3** Learn how to download mobile equipment units in 2 simple steps

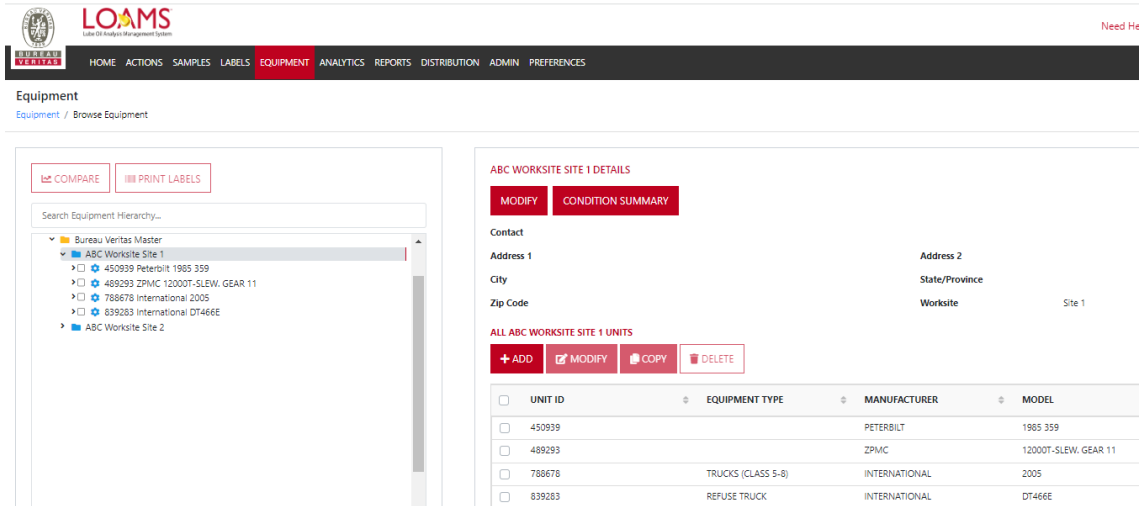

Downloading Mobile Equipment

○ The equipment tab allows you to quickly access and manage your equipment. In this quick start guide, you'll learn how to easily:

✓ Download mobile equipment unit details

Please note, the mobile equipment details will be downloaded in an excel spreadsheet (XLSX) format. The spreadsheet will contain worksite, unit, equipment, unit manufacturer, unit serial number, unit model, oil grade, last sample date, sample severity and additional details about your mobile unit(s).

The screenshot shows the LOAMS (Laboratory Oil Analysis Management System) interface. The top navigation bar includes: HOME, ACTIONS, SAMPLES, LABELS, EQUIPMENT (highlighted), ANALYTICS, REPORTS, DISTRIBUTION, ADMIN, and PREFERENCES. The main content area is titled "Equipment" and includes a breadcrumb "Equipment / Browse Equipment".

On the left, there is a "Search Equipment Hierarchy..." search bar and a tree view showing the hierarchy: Bureau Veritas Master > ABC Worksite Site 1 > 450939 Peterbilt 1985 359 > 489293 ZPM/C 12000T-SLEW, GEAR 11 > 786678 International 2005 > 839283 International DT466E > ABC Worksite Site 2. Buttons for "COMPARE" and "PRINT LABELS" are visible above the search bar.

On the right, the "ABC WORKSITE SITE 1 DETAILS" section includes buttons for "MODIFY" and "CONDITION SUMMARY". Below this, there are fields for "Contact", "Address 1", "Address 2", "City", "State/Province", "Zip Code", "Worksite", and "Site 1".

At the bottom right, the "ALL ABC WORKSITE SITE 1 UNITS" section features buttons for "+ ADD", "MODIFY", "COPY", and "DELETE". Below these buttons is a table of equipment units:

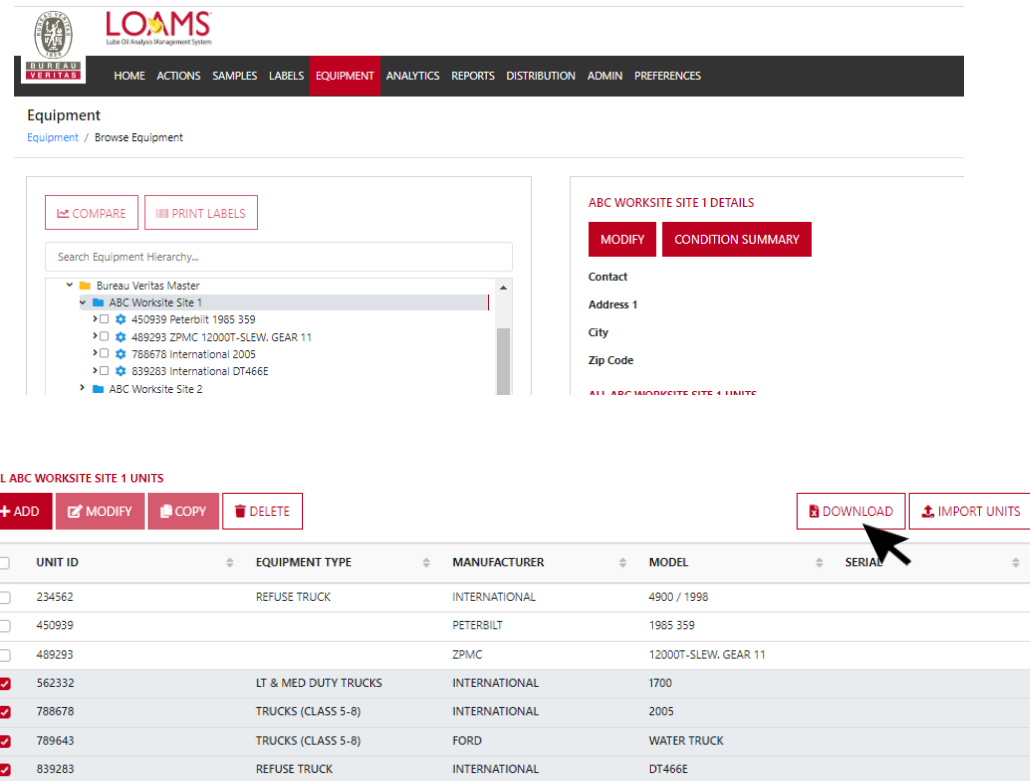

UNIT ID	EQUIPMENT TYPE	MANUFACTURER	MODEL
450939		PETERBILT	1985 359
489293		ZPM/C	12000T-SLEW, GEAR 11
786678	TRUCKS (CLASS 5-8)	INTERNATIONAL	2005
839283	REFUSE TRUCK	INTERNATIONAL	DT466E

Downloading Mobile Equipment

1 The first step begins by selecting the equipment tab and selecting the browse equipment page. Inside the browse tree tab, click on the worksites folder to view your equipment unit list.

2 After clicking the worksites folder, click on the unit list, find the unit(s) you plan to download details for and select the checkbox that corresponds to the unit ID. After selecting the check box, click the download XLSX button. This action will download an excel spreadsheet containing details of the mobile equipment unit you have selected.

Please note, you can find the spreadsheet by accessing the downloads folder in your computer.
